
Resources, Organizations and Contributors

The “Resources” section introduces recent migration-related books, pamphlets, reports, videos and other resource materials that provide useful information on the topic.

The “Organizations and Contributors” section provides updated contact details of MFA members and partners, other key contacts, and those who made special contributions to *AMY 2005*.

Dignity Overdue

Editors: Gee, John and Elaine Ho
Publisher: Select Publishing, February 2006

This book discusses the history and current situation of foreign domestic workers in Singapore, as well as common human rights violations committed against them. Support and protection mechanisms available in Singapore are also described. This discussion is followed by information on The Working Committee Two (TWC2), an NGO created to provide a wide range of assistance to these workers, describing the environment in which it operates in Singapore. The book looks back on TWC2's campaigns and assesses future directions to improve conditions for foreign domestic workers.

Labour Migration in the Mekong Sub-Region: A Synthesis Report

Author/Publisher: World Bank, November 2006

The report describes the World Bank's Labor Migration Program in the GMS, including objectives, expected outputs, its highlighted point is that facilitating rather

than restricting labor migration. It also provides the main research findings of the programme. The reports also reviews patterns and characteristics of the migration in GMS, especially in Thailand -the receiving country, roles of migrants in both sending and receiving countries, impacts of migration on households in sending countries. The report presents the evolution of migration -management policies in the GMS: its limitations and prospects for improvements; then future research and development agenda.

Passport to Health

Action Network for Migrants. English version (2004), pp. 32. Thai version (2005)

A passport-sized report that is easy and quick to read but packed with information. It describes the situation of migrant workers from Burma, Cambodia and Lao PDR in 8 different occupations in Thailand.

The migrants put forward their requirements in order to improve their health and show what they and their support groups are already doing to respond to the situation. The names and contact details of the support NGOs and CBOs are also given.

Reproductive Health of Burmese Migrant Youth in Thailand: Findings, Experiences, and Lessons Learned

Author: Nopachai, Vickie.

Publisher: Raks Thai Foundation, 2004

This book surveys the situation of migrants in the seafood processing industry in Mahachai, Samut Sakhorn Province, with a focus on young people's reproductive health. The survey focuses on attitudes, beliefs and behaviors of migrant youth from Burma towards sex, relationships, and how gender roles affect use of contraception and reproductive health seeking behaviors. The report also reflects on the successes and lessons learned from the Raks Thai Foundation project in Mahachai.

The 9th Regional Conference on Migration Report: Migration for "Development" and its Feminization Process

Publisher: MFA

This report is a reflection of the challenges, strategies and responses of the network to the emerging issues brought about by neo-liberal globalization. The same analysis guided the MFA network in formulating its Plan of Action for the next two years. The 9th RCM also commemorates the 10 years of hard work and continuous struggle of MFA to protect and promote the rights and well-being of all migrant workers.
